

 **T - ZERO**  
REFURBISHING HOMES FOR A LOW CARBON FUTURE

The logo features a white outline of a house with a chimney on the left side. A horizontal line extends from the base of the house to the right, ending in an arrowhead. The text "T - ZERO" is written in a bold, white, sans-serif font to the right of the house outline. Below this, the tagline "REFURBISHING HOMES FOR A LOW CARBON FUTURE" is written in a smaller, white, sans-serif font.

## About T-Zero

- Reducing energy, water, waste and other impacts through refurbishment of homes
- Completion January 2010
- Tool for decision-making, access to information, case studies, products, suppliers & services
- Case studies for social, private owned and rented homes

## T-Zero Partners
